

Welcome to Our Adoption Web site!

This web site chronicles the adventures of Dirk & Neal as they took "baby steps" through an adoption process and become:

2 MEN AND A BABY!

This website was developed so that our family and friends could keep up with our adoption and become a part of our baby's life from the very beginning.

Hi! My name is Madison McKenzie Dietrich-Frisch. I was born on October 17, 2004 in Minneapolis, Minnesota and I came home to live with my daddy and papa on October 18th. These pictures were taken at my 1 month photo shoot.

In the future, I will keep my most recent pictures on the [Photo Gallery](#) page for you to look back at from time to time so that you can watch me grow. I've re-arranged the pictures on this page. The most recent pictures will now be first instead of last so that you won't have to click through so many pictures....unless of course you want to compare how cute I was then compared to how cute I am now!

The latest pictures were added: 7/25/05....FINALLY!

Are you new to our website?

If this is your first time visiting our website, you have a lot of catching up to do! It's easiest to follow the links on the left hand side of the page in order, starting with the "Journal". This will give you a little background on how we got started and the events that transpired before we officially started our adoption process. Each icon will walk you through our process step by step. Icons are located on the left side of the page, as well as at the bottom of each page. Regardless of how, when, or why you have joined us, we hope you will enjoy learning and becoming a part of our adoption process.
